

## Calling applications for the Israel-Asia Leaders Fellowship

Deadline: July 10, 2019

Unique leadership training & professional networking opportunity for Asian and Israeli students and young professionals living in Israel over the 2019-20 academic year.

The part-time program provides participants with the skills, know-how, tools, support network and high-level professional connections in Israeli innovation, technology, government, business and media to build high-level partnerships between Israel and Asia in their chosen field - making their year in the 'Start-Up Nation' truly remarkable.

Participants on the Israel-Asia Leaders Fellowship will:

- Meet with business and government leaders in the Israel-Asia arena
- Acquire valuable leadership and business skills
- Receive mentorship from industry leaders
- Develop an extensive high-level contacts network
- Tap into and build partnerships with one of the world's leading and most exciting hubs of innovation and technology

Currently, 75% of our fellowship [alumni](#) are directly engaged in shaping Israel-Asia relations in their professional fields.

You can read [testimonials](#) from our past fellows and how it helped them.
