

JUNIOR INVESTMENT ANALYST

ION AM is a leading asset manager that manages a number of hedge funds investing in Israel and abroad.

We are seeking a highly-motivated **junior analyst** to join our investment team. Candidate should demonstrate exceptional intellectual and analytical capabilities, strong internal motivation and drive, high personal integrity, and a passion for investing.

We are looking for individuals with a record of strong academic & personal achievement.

Qualifications and Previous Experience:

- 1-3 years of experience in the financial services sector
- Experience in investment analysis useful but not required
- Passion/interest for investing in the capital and equity markets
- Basic understanding of fundamental investing
- Bachelor's degree in a related field (Economics, Accounting, Business etc.)
- Basic Financial Modelling skills a plus (but not required)
- Strong analytical and quantitative skills
- Fluent in both English and Hebrew (verbal and written)
